---

Thank you for the opportunity to present a comprehensive equipment recommendation. It is an honor to be considered and we hope you will select us to partner with you to create a premier fitness facility for your organization.

Choosing the right fitness equipment can be daunting. The products you select must be easy to use and inviting for a variety of exercisers. They must be durable and reliable -- capable of standing up to the rigors of continued daily use. That is why partnering with an industry-leading manufacturer uniquely qualified to guide you through the process is so important.

Life Fitness has over 30 years' experience helping facilities select their fitness equipment and create customized fitness environments that encourage exercisers to work out more often and lead healthier lives. We offer the largest breadth of cardio, strength and performance-training equipment, value-added services, and ongoing support to ensure that your facilities' needs will be met in the years to come.

If you have any questions or comments regarding our proposal, please contact us as indicated below. The Life Fitness team looks forward to supporting you in the future.

Sincerely,

LIFE FITNESS
